

## Curiosity Kits

In the Silver Birch Room you will find a range of "Curiosity Kits". In each kit there is a book accompanied by a range of items to engage your reluctant reader. For example a pack entitled "The World's Weirdest Animals" contains a book with this title, alongside a motorised spider, some plastic insects and a National History Museum picture viewer!

Please feel free to borrow a kit to share with your child and enjoy reading with your curious little learner!

Don't forget to return your pack to the Silver Birch room once you have finished with it. Thank you!
