

# THE PARISH OF BENSON: ST HELEN'S CHURCH

## TIGER KLOOF SCHOOL

2015

*Tiger Kloof School*

Tiger Kloof was founded by the London Missionary Society in 1904 and that body oversaw the running and development of the school until 1956, when it pulled out, unable to reconcile its aims and objectives with the infamous Bantu Education Act of 1955, which prohibited black children from receiving an academic education. The school was re-opened in 1994 as a non-denominational Christian school.

Following the visit of Mark Boobyer to St Helen's in June 2012, St Helen's Church decided to sponsor 3 day pupils at **Tiger Kloof School** in South Africa. The school is situated in the Northern Cape, near the border with Botswana. Mark is the Director.

We are sponsoring 3 girls who are day pupils:

**Boipelo Mogorosi, Rudisang Mohapanele and Pabalelo Bartman.**

### **HOW YOU CAN HELP:**

We aim to raise £1,500.00 each Advent which will cover the school fees for the year ahead. We have recently achieved this for 2015.

We would also like to develop a link with Benson Church of England Primary School. Several from Benson will be visiting Tiger Kloof in February 2015 to explore this.

**Thank you for your support.**
